Our program offers a broad range of plan options to meet the needs of our diverse workforce. We know that your benefits are important to you and your family. This program is designed to assist you in providing for the health, well-being and financial security of you and your covered dependents. Helping you understand the benefits NCRMA offers is important to us and that is why we have created this Employee Benefits Guide.

We encourage you to review each section and to discuss your benefits with your family members. This guide is not an employee/employer contract. It is not intended to cover all provisions of all plans but rather is a quick reference to help answer most of your questions. Information presented here does not cover all details and limitations for the plans. Additional information is found in Summary Plan Booklets. The legal plan documents and master insurance policies are the final authority in determining benefits. NCRMA reserves the right to amend its plans from time to time and has the right at any time to terminate any plan or benefit. Participation in the plan described does not constitute any contract of employment.

Please see your Summary Plan Description for complete details. We hope this guide will give you a clear explanation of your benefits and help you be better prepared for the enrollment process.

NCRMA

ELIGIBILITY & ENROLLMENT

WELCOME TO YOUR NEW EMPLOYEE BENEFITS

WHO IS ELIGIBLE

You are eligible for benefits if:

- Your employer has completed an NCRMA participating employer agreement and
- You are a full-time associate working at least 30 hours per week or 130 hours per month

EFFECTIVE DATE OF COVERAGE

During the plan year, eligible new hires will be subject to a waiting period determined by the applicable benefit. Most plans will become effective the first of the month following the waiting period. If you enroll in benefits during Open Enrollment, your benefits will be effective January 1st.

WHEN TO ENROLL

Benefit eligible associates have the two following opportunities to enroll in the associate benefits program:

NEW HIRE ENROLLMENT. New hires have thirty days from their date of hire to enroll in NCRMA's benefit coverages. Most plans become effective first of the month following 30 days. Associates not enrolling during this period must wait until the next open enrollment to elect coverage. If you have questions, please contact your manager.

OPEN ENROLLMENT. For the 2026 plan year, NCRMA's annual open enrollment period will take place beginning Monday, November 10, 2025 and will close Friday, December 5, 2025. All changes and elections will be effective January 1.

HOW TO ENROLL

If your company has completed a NCRMA participating employer agreement you go online to enroll at www.simon365.com.

If you need assistance with your online enrollment please call 888-819-5418 or contact your HR Department.

WELCOME TO YOUR NEW EMPLOYEE BENEFITS

WHEN YOU CAN MAKE CHANGES

NCRMA benefits plan year is from January 1 to December 31. Generally, you can only change your benefit choices during the annual Benefits Enrollment period.

You are also allowed to make benefit changes if you have an IRS “Qualifying Event” during the year, which includes:

- Marriage or Divorce
- Birth, adoption or placement for adoption of an eligible child
- Death of your spouse or covered child
- Change in your spouse’s work status that results in cancellation of your benefits
- Your dependent child is no longer eligible
- Loss of coverage through a parent’s plan
- Becoming eligible for Medicare or Medicaid during the year

If you have a life event change, you must submit notification to your manager within 30 days of the qualifying event. Depending on the type of change, you may need to provide proof document-tation (for example, a marriage license or birth certificate). If you do not submit notification within 30 days, you will have to wait until the next annual Open Enrollment period to make benefit changes.

WHEN COVERAGE ENDS

Benefits end on the last day of the month in which your employment ends, or when you cease to meet eligibility guidelines.
